VISITOR INFORMATION

CLEVELAND OVERVIEW

Cleveland, Ohio is the county seat of Cuyahoga County, the most populous county in the state. The city is located in northeastern Ohio on the southern shore of Lake Erie. It was founded in 1796 and became a manufacturing center owing to its location on the lake shore, as well as being connected to numerous canals and railroad lines. The Cuyahoga Valley Scenic Railroad, owned by the National Park Service, operates a depot located in Independence, Ohio. Cleveland's economy has diversified sectors that include manufacturing, financial services, healthcare, and biomedical. Cleveland is also home to the Rock and Roll Hall of Fame.

RELIABILITYFIRST CORPORATION

3 Summit Park Drive, Suite 600 • Cleveland, Ohio 44131
(216)-503-0600

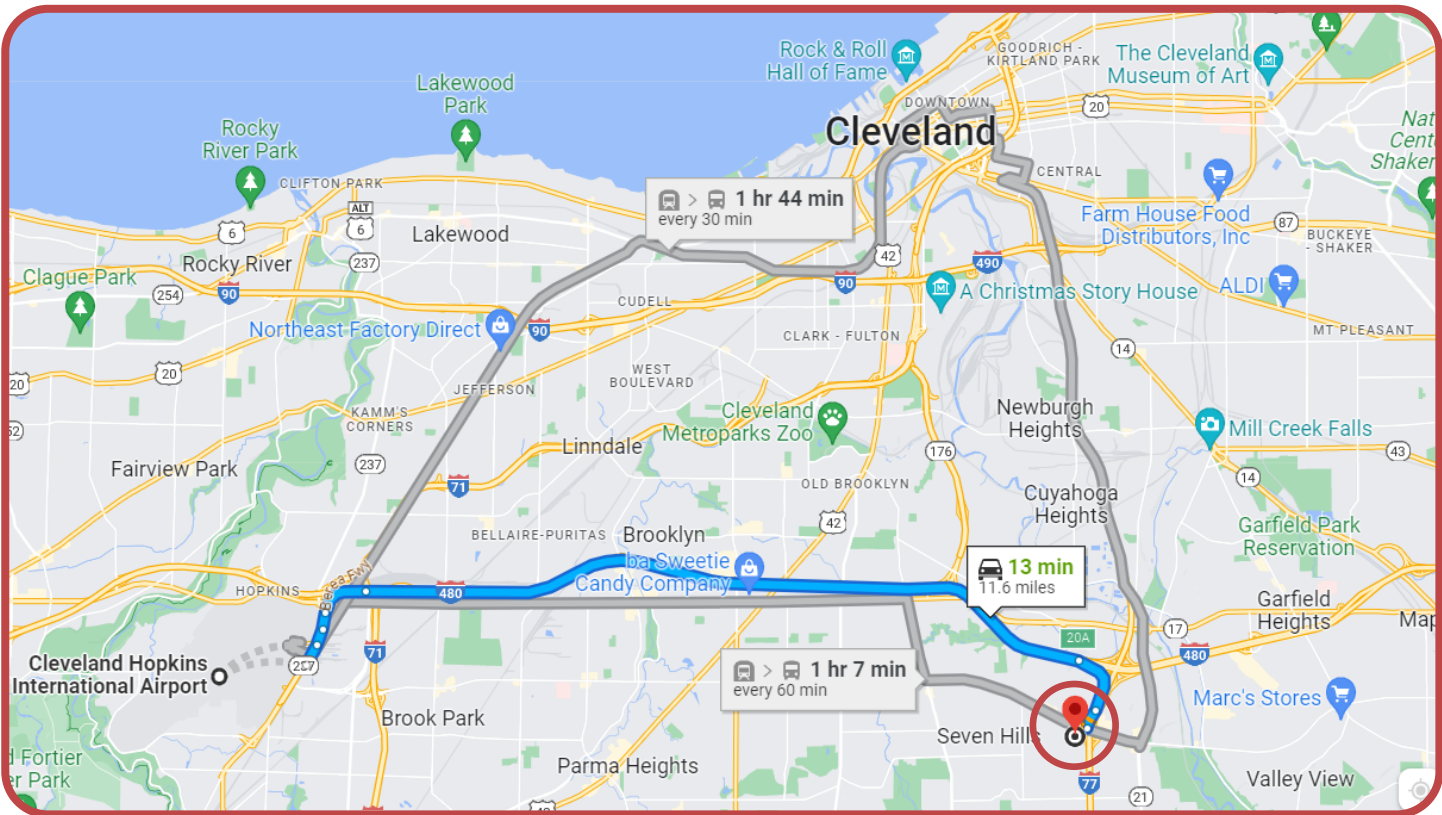

The electric grid is essential to our economy, national security, and public welfare. A reliable and secure grid is crucial for our daily routines and basic needs.

Our mission is to ensure the reliability and security of this vital national asset. We assemble a diverse team of experts from various professional, technical, and industry backgrounds, including electrical and computer engineers, cybersecurity specialists, statisticians, risk experts, attorneys, regulatory experts, systems engineers, auditors, organizational design experts, and trainers.

Our company, operating under a delegation agreement with the North American Electric Reliability Corporation (NERC) and approved by the Federal Energy Regulatory Commission (FERC), is one of six responsible for grid reliability and security in North America. Our footprint encompasses the Great Lakes and Mid-Atlantic regions, including all or portions of Delaware, New Jersey, Pennsylvania, Maryland, Virginia, Illinois, Wisconsin, Indiana, Ohio, Michigan, Kentucky, West Virginia, Tennessee, and the District of Columbia.

Our offices are located in the Summit Three building on the fifth and sixth floors. The ReliabilityFirst conference center is on the 5th floor, while our corporate offices are on the 6th floor. Clear signage will guide visitors to the appropriate location during meetings. Ample parking is available in surrounding lots, including designated handicap parking in front of the building. For any special assistance needs, please inform us in advance. Guest wireless access is provided, and login information will be provided on site. Directions and maps to our office can be found below and on our [website](#).
